Here is our update for Tuesday, August 4, 2020.

We will include total and active quarantine numbers once per week.

Total ACTIVE Cases Today: 0
 New Cases Today: 0

of COVID-19 Tests Total: 10962***
 Total Positive Cases: 77
 Total Lab-Confirmed: 61
 Total Suspect: 16

of COVID-19 Antibody Tests: 3476 *
 Total Positive Antibody Tests: 75 **

* Number of tests includes persons tested more than once.
 **Antibody testing is not typically used for diagnostic purposes.

*** There were nearly 1,000 new lab tests reported today. This is not an error. Analysis of this data shows input of back logged labs for multiple individuals with multiple tests from a single out of state lab. Rest assured, there were no positive labs in this large group and the provider and/or facility that ordered the tests received these lab results so would have acted on any positive results immediately. These results will improve our number of testing in Essex County.

Last week, - we reported our total number of quarantine orders issued (to date) and total number of ACTIVE quarantine orders. We are able to provide this additional information weekly and will try to do so each Friday. Although we previously provided this data daily, compiling this information became more challenging following the NYS Travel Advisory and substantial increase in individuals being monitored under our health department orders.
