

NORTH COUNTRY
CHAMBER OF COMMERCE
PLATTSBURGH

LOOKING FOR SUPPLIES?

Does Your *Phase 2* Business Need Masks or Sanitizer? We Can Help!

The **North Country Chamber of Commerce** recently received a supply of sanitizer and face coverings from Clinton County. These supplies are to be distributed to our local Clinton County businesses in need and will be given on a first come, first serve basis.

If you are in need of these products, please **email Stacey** at the North Country Chamber of Commerce to request face coverings and/or a 4-gallon case of sanitizer. She will contact you

with more details and pick up instructions.

Note: The sanitizer is available to any business in the community, however, due to the limited amount of face coverings in stock, we will be reserving these for small businesses or restaurants.

EMAIL STACEY

If you are looking for other supplies or to purchase further supplies, the Chamber of Commerce has compiled a list of suppliers for you to contact.
