

Craig Wood Golf Course

Named after local golf legend Craig Wood

Volume 4, Issue 1

News from the Pro...

Calling all golfers:

The 2012 season will be here before you know it. There has been many new things to change in the golf world. I can't wait to see everyone, talk shop and explain some of the new ideas and equipment with you all.

At this time I would like to take a second to toot my own horn for the membership that you may have not heard about. In the fall of 2011 I was elected to North Eastern New York PGA Board of Directors. With this I have finally pushed it over the top to have a NENY PGA Junior tournament on Labor Day weekend. So if you have a child or grandchild that you would like to play in the events please contact me for details on how to sign up.

I also would like to take this time to thank Dave and Lisa McKenty for the great job they did for us last year in the restaurant.

Joe and Colleen Warren will be running the Restaurant this year. Please stop in and say hello maybe they will have some of their special prime rib from the Cascade Inn.

See you soon and Think warm!

golf@craigwoodgolfclub.com

~Jim Wasson

- Call 523-9811 to book tee times.
- Don't forget to stop in for a bite at the Scotts Cobble Restaurant!
- You may purchase gift certificates right at the golf course
- Be sure to check those grips to see if they are in need of replacement

News from the Superintendent...

Greetings from the Craig Wood maintenance staff. Barry, Andrew and I have been busy this winter repairing, sharpening, painting and servicing our equipment in preparations for the 2012 season. We have also made new tee markers and yardage makers. Lets hope that the lack of snow this winter leads to an early opening. If you are in our area stop by the shop and say hello. Come On Spring... ~Lynn Wilson

News from the Park District Manager...

We are excited for the upcoming golf season at Craig Wood. The mild winter as well as early March temperatures approaching 60 have put golf in the forefront.

Our staff is busy doing their off season work and getting anxious to get out on the course and prepare it for opening day.

A highlight of the winter was our securing Joe and Colleen Warren of the Cascade Inn as our food service providers. They are really excited to be on board and should create a nice community

environment around the club house.

A new website for Craig Wood is being created and should be up and running by mid-April so you will be able to get up to date information and easily see what tee times are available. We hope to use the internet to disperse information in a timely manner so please make sure we have your email address.

It won't be long so get those clubs out and cleaned up and be ready to go!!!!

~Butch Martin
