### **Resolution of Commitment**

Today marks the beginning of a new municipal year and I look forward to once again working with each of you. Although we may not always agree on all of the issues all of the time, we must remain unified in our pursuit of the highest standards for the Town as a whole.

As individuals, we are presented from time to time with ethical dilemmas:

Sometimes **honesty** about the facts of a situation will conflict with **loyalty** to our family, friends and supporters.

Sometimes **short-term** solutions will conflict with the **long-term** good.

Sometimes what is best for the **community** will be at odds with the rights of individuals.

And, sometimes hard choices need to be made between **forbearance** for some and **justice** for others.

**As a Board, however, we are expected to make decision-good decisions. It is our job.**

Now, therefore, let us resolve to work together, respecting each other's differences and dilemmas, to make the right decisions for the people of the Town of North Elba. Do I have a second to this Resolution of commitment to the people of North Elba.
